What is a Qabeelah?

Each AIMaghrib chapter established in a city develops a student body. This

student body is what we refer to as a Qabeelah. This Qabeelah system empowers the local communities to benefit their people, encourages healthy competition, adds a sense of fun to the work we do. The Liwaa cup is awarded to the top performing Qabeelah every year.

Help us reduce, go Green!

We want to reduce the large amount of wastage that results from disposable tea and water cups. Students are requested to bring their own reusable water bottles and hot beverage cups. **We will have a limited number of reusable cups and bottles available for purchase from our Tea coordinators: Bonto & Nafiso**

Gem Wall

On each side of the classroom you will find a "Gem Wall". This "wall" is for students to write down "gems" from the seminar. At the end of the seminar, the walls will be auctioned off in a silent auction. The auction paper will be located next to the wall.

Penny Wars

Penny wars are a friendly competition between brothers and sisters. Each group has a jar for collecting coins or dollar bills. The value of any pennies collected by a group count positively toward that group's point total, while the value of other coins or dollar bills are subtracted. At the end of the seminar, the total is tallied and the winner announced. The proceeds from the wars go towards scholarships. Each cent is worth 1 point.

May the sisters win :)
